SAME LITTLE GIRL.

There was a little girl,
And she had little curls,
Right in the middle of her forehead.
"No room for it," she said,
"On the side of my head!"
For she lived in a flat—which was horrid.

The little hat she wore,
Long behind and before,
Pointed up in the air, like an arrow.
And she had a little plume
On the top. There wasn't room
On the side, 'cause the flat was too narrow.

Her pretty little mouth
Always pointed North and South,
As if it only uttered "prunes" or "prisms."
Neither "cabbages" nor "game"
Could she undertake to name,
There wasn't even room for "rheumatism."

So the dear little girl
With her pretty little curls,
And her plume, and her "prunes," and her "prism,"
And her narrow little hat,
Dwelt contented in a flat,
For she hadn't any room for pessimism.

McCARTHEY, the Jeweler.

Senator W. H. Cox this week presented Master Charles McCormack of Poplar Flat with a \$50 imported bird dog. The Sun says Charles is very proud of his fine dog and invites his Vanceburg friends out to hunt, but says the Senator and Mr. Davis of Maysville must have a chance at the first birds.

Mr. John L. Richardson was in the city yesterday making arrangements for opening a school of Work's Garment Cutter, the great Ladies' Tailor System of St. Louis, Mo. The school will be opened Tuesday, October 2d, at 305 Market street, opposite Postoffice, and a corps of competent teachers will be here. Under the thorough instruction offered Maysville ladies can find no better opportunity to become their own dressmakers.

The very latest in fancy stationery is at Ray's Postoffice Drugstore.

The Band is composed of fifteen pieces, led by Mr. A. D. Kirk. Its music is lively and inspiring and shows that the organization is made up of fine performers. They entertained for quite a while on Fountain Square, later visiting THE LEDGER, where their selection was much appreciated.

MASON COUNTY DOCTORS.

Their Regular Monthly Meeting in This City Wednesday.

Wednesday's meeting of the Mason County Medical Society was held as per notice at office of Dr. Browning. The attendance was gratifying in numbers, including most members from city and Drs. Smith, Davis and Cook of the county—all good and effective working material.

The essays of Drs. Hunter and Reed were none the less interesting and instructive for their portrayal of the erratic or anomalous. Laurels are laurels, whether earned pro forma or with the dash of a "free lance" in the field of medicine, and the gentlemen certainly obtained results, most satisfactory results, under difficulties. Such experiences add force to the maxim that "those having no law must be a law unto themselves"—that, being without precedent, 'tis the doctor's privilege and duty to establish one.

A number of cases possessing interest were presented and discussed in an informal way. Dr. Matthews of the city was a welcome and interested visitor, freely participating in some matters trenching upon his domain of dentistry. The next meeting will be held at the office of Dr. A. N. Ellis Wednesday, 31st of October. Regular passayist, Dr. A. G. Browning; alternate, Dr. Cook, Wedonia.

Mr. Harry Metcalfe, son of Colonel John G. Metcalfe of Covington, will leave Saturday for Monterey, Mexico, where he has accepted a position as draughtsman for an electrical concern. The young man is a nephew of Mr. Joseph Metcalfe of this city.

Because of a petition by many of the subscribers, it was determined at a meeting of the Board of Directors of the New Public Library on Tuesday evening to set the limit of two weeks instead of one to the holding of a book taken out by a ticket holder. CAPTAIN RUSSELL'S TIGERS.

Two Games From Fifth Warders and One From All Stars.

Captain Russell's Tigers had on their fighting garb last night. At the Bowling Alleys they took two games from the Fifth Ward Club, winding up victorious in a match game with the All Stars.

This is how the thing was done:

| Fourth Ward. | |
|-----------------|-----|
| Archdeacon..... | 151 |
| Kinsler..... | 151 |
| Fist..... | 146 |
| Watkins..... | 154 |
| Russell..... | 147 |
| 673 | |
| 779 | |
| 657 | |
| 703 | |
| Fifth Ward. | |
| Brown..... | 126 |
| Crawford..... | 123 |
| Johnson..... | 95 |
| Bruns..... | 113 |
| Mathews..... | 200 |
| 657 | |
| 703 | |

After taking the two games from the "so-called" Fifth Ward Team, made up of the bowlers of the First, Second, Third, Fifth and Sixth Ward Clubs, the Tigers noticed while playing a good many eager eyes upon them. They could not understand until at the close of the last game, when Captain Russell's team for one game to be played immediately. The challenge was promptly accepted, and Captain Russell's team, though tired a "little," was told to bowl, and hence the following figures show how they can and will bowl when called upon:

| Fourth Ward Tigers. | |
|---------------------|-----|
| Archdeacon..... | 183 |
| Kinsler..... | 166 |
| Fist..... | 180 |
| Watkins..... | 129 |
| Russell..... | 176 |
| 884 | |
| 713 | |
| 121 | |
| "All Stars." | |
| Frank..... | 144 |
| Smoot..... | 138 |
| Daly..... | 154 |
| Brown..... | 146 |
| Cullen..... | 131 |
| 713 | |

The next game the Fourth Ward Tigers will play will be the Second Ward Team in their new uniforms.

The game which was to have been played tonight between the Rubes and Professionals has been postponed until Monday night.

The All Star Bowling Team challenges any team in the city for a game Tuesday night, October 2d.

Captain Russell seems to have forgotten that the 96, 108, 112 bowler is a member of the First Ward Team—champions of the city—which so beautifully trimmed his Fourth Ward Tigers a few weeks ago, and we think that his average in those games considerably exceeded that of the Captain and several of the Tigers.

Question Answered.

Yes, August Flower still has the largest sale of any medicine in the civilized world. Your mothers and grandmothers never thought of using anything else for Indigestion or Biliousness. Doctors were scarce, and they seldom heard of Appendicitis, Nervous Prostration or Heart Failure, etc. They used August Flower to clean out the system and stop fermentation of undigested food, regulate the action of the liver, stimulate the nervous and organic action of the system, and that is all they took when feeling dull and bad with headaches and other aches. You only need a few doses of Green's August Flower. In liquid form, to make you satisfied there is nothing serious the matter with you. For sale by J. C. Pecor.

Ladies' and Misses' Trimmed Hats

Our stock of French Pattern Hats is now complete. We are showing a greater variety of styles this season than ever before. Our success in this department convinces us that ready-to-wear millinery has come to stay. The hats we show are patterned after the very latest styles shown in the large cities of the East, and it stands to reason that being purchased in such large quantities as we buy them they can be sold very much cheaper than you will find 'em elsewhere. You may have some prejudice against buying a ready-to-wear trimmed hat. Examine ours and we believe you'll change your sentiments. Prices \$1.75 to \$5.98.

REAL EXCELLENCE IN DRESS GOODS.

Critical and reliable judges have pronounced our fall dress goods stock the best ever shown in this community. The semi-annual visits of our buyer to the Eastern markets make the above assertion appear merely as a reasonable expectation. The very latest fabric creations are displayed here. In blacks you'll find the new Satin Cloths, Soliels, Lizard Cloths, Clay Worsteds, Cheviots, Venetians in prices from 68c to \$2.25; and then, too, there are Novelty Dress Goods, Camel's Hair, Golf Cloths, Plaids, Knickerbockers, Zibelines, etc., from 28c to \$1.98. It's a stock worthy of your inspection. You need not buy.

NEW MERCERIZED UNDERSKIRTS.
